## QUALIFICATIONS FOR DBMD PROGRAM

Entrance requirements vary according to the program in which the student chooses to enroll.

Graduate program requirements can be found by degree program at [www.temple.edu/gradbulletin](http://www.temple.edu/gradbulletin).

Students have the best chance of being admitted if they meet the following eligibility criteria:

- Minimum TOEFL® Internet-based (iBT) 79; higher for some programs. IELTS 6.5 (7.5 for Fox School applicants) GPA of 3.5/4.5 (3.0/4.0 or approximately 80%).
- Students must have completed most of the required coursework for their Bachelor's degree. Any remaining undergraduate courses will have to be completed in concurrence with, or in addition to the graduate courses required for the master's degree.
- Completed undergraduate coursework meets most of the academic prerequisites of the graduate program. For instance, to apply to most business programs, students must have taken quantitative courses (in statistics and calculus) and/or management courses while students applying to the Medical School programs must have completed advanced science courses (in life sciences, biochemistry, chemistry, or biology).
- Students apply to the DBMD program during their third or fourth year of undergraduate study at their home university.

**Note: Students must maintain a 3.0 GPA while enrolled at Temple.**
